FRANKLIN—REBUILT THE NEXT BEST BUY

Next to a brand new Franklin, the best buy is a rebuilt Franklin.

We handle no other car, consequently we can afford to carry an immense stock of Franklin parts, thereby insuring prompt service. Our employees are all factory-instructed mechanics and we will have the best equipped shop in the South when our new building is completed.

MR. E. B. SEARLE. Our service manager, has been with us for five years and knows the car. Ask any Franklin owner about this

The Paige Company of Memphis, Inc., will guarantee every used Paige carthat we sell. We will assume responsibility for defective parts and give purchaser every assurance of satisfaction. This is something new in the automobile industry—a most radical change from the policy employed by all desiers in used cars.

Heretofore, the purchaser has assumed all risk. He has had to depend on his own judgment or "luck." He could never be sure he would not have a big repair bill tacked on the original purchase price. We are going to assure you—to guarantee you will be satisfied. We believe this only fair—that the man who spends his money for a used car is entitled to the same attention and consideration that is given to the purchaser of a new car.

These cars have been repainted and We are flow rebuilding several five passenger touring cars and one two passenger roadster. It you are inter-ested and would like a special color paint job, see us at disce.

OUR GUARANTEE

built car that we give on a new car. The reason that we can do this is that the car is rebuilt completely by exper-Franklin mechanics, every part is re-placed that shows the slightest wear. A first-class paint job—your choice of color—is included.

MONTHLY INSPECTION AND SERVICE

This service consists of a thorough inspection by an expert. We clean and wash out the crank case once a month, furnish all the lubricating oil, keep the car greased, make all running adjustments as long as you own it.

Phone us and we will explain this wonderful service more fully.

\$4 PER MONTH

Twenty miles to the gallon of gasone. 12,500 miles to the set of tires. 50 per cent slower yearly depreciation We personally guarantee 19,900 miles o set of tires.
